UNIVERSITY

## UNU Publications on Africa and Related Issues

### United Nations University Library

May 2008

A list of UNU publications on Africa and related subjects issued to the public in the form of reports, books or public information materials and catalogued by the UNU Library. Items include UNU Press publications and programme, project and periodic reports produced by UNU Headquarters or the university's Research and Training Centres and Programmes from 1979 to the present. Other items issued or sponsored by the UNU and published by external publishers are also included. Works in electronic format are linked directly from each title. Other works are available in the UNU Library.
