— to be Held on 23 February**

<REVISED>

Event: "Shibuya: International City of Peace" Forum
Date: 23 February 2009 (Monday), 4:00 PM
Venue: Elizabeth Rose Conference Hall, United Nations University Headquarters, Tokyo
Organizer: Shibuya City
Co-organizer: United Nations University (UNU)

- UNU has been cooperating with the Shibuya City Office to organize a series of public forums since 2003. This year's public forums are focused on "Global Environment and a Sustainable Society", a successful theme that has drawn much public attention. This forum attempts to further convey the importance of global challenges to the general public.
- In 2002, to mark the beginning of the 21st century, Shibuya adopted an ordinance designating October 1 — the anniversary date of the city's establishment — as "Shibuya, International City of Peace Day". Through this ordinance, Shibuya declared its intention to become an International City of Peace and Culture, with the support of all city residents and imbued with a strong sense of the value of local government initiatives. This forum is one of the efforts by Shibuya to promote its vision of being a city of peace and culture.
